

Mission and Core Values

2018

Mission: The mission of Highland Avenue Fellowship is to make disciples of Jesus Christ by helping others find, live and share God's love.

Vision: We will accomplish our mission through creating FLOW.

- Fellowship with one another
- Learning and living into Christ's teachings
- Outreach to all people through witness and service
- Worshipping God in spirit and truth

Core Values:

- **We value Scripture.** The Bible is the word of God and completely reliable as the source of our faith and authoritative in matters of doctrine and conduct.
- **We value our Wesleyan heritage.** Wesleyan theology integrates head, heart and hands in exercising the historic Christian faith as expressed in the Apostle's Creed and the Nicene Creed.
- **We value Salvation through Christ alone.** All persons are those for whom Christ died. God's grace reaches out to all people.
- **We value changed lives.** Christ accepts us as we are, but does not leave us that way. Through discipleship the Holy Spirit transforms us into fully devoted followers of Jesus Christ.
- **We value missions.** Our mission field begins in our homes and extends to the farthest reaches of the world. We are not content to sit on the sidelines while people enter eternity without God. We want to be part of building the Kingdom of God in our generation.
